

## HUNTERS CAMPERS BEWARE

### Don't buy a Gun or Rifle

until you have visited Davidson's Cash Store.

We buy the best U.M.C. and Winchester shells we can buy.

The hunter doesn't care how many carloads of ammunition his dealer gets in. It's the condition, quality and price that interests the customer. No man can get in 100,000 shells in one bunch in Phoenix and at the same time insure his customer fresh ammunition. Our ammunition is coming in every two or three weeks and is fresh.

We don't have to make all our store expenses out of sporting goods although we have a splendid stock of them. We keep a full line of Hardware, Tools, Crockery, House Furnishings, etc. This large variety makes it possible for us to save you money on Guns and Ammunition, as well as other lines.

### The Souls of Flowers

mingled in happy union in the exquisite perfume we carry. Scents are as difficult to blend into harmony as sounds. It takes almost as high an order of ability to make true perfumes as is required to write good music. No wonder so much of the perfume offered is rank, flat and unattractive. If not wholly pleased with the odors you are now using, we would like to have you try some of the delightful ones we handle. Cost you no more than the poorer kinds.
